PROFILE

Passionate about software development. My expertise in full-stack development makes me a valuable asset to any CSE team.

WORK EXPERIENCE

KEY PROJECTS

- **MY PORTFOLIO |** URL link:- https://akash-kr-gupta.netlify.app/
- **CHATBOT |**   https://github.com/akashgupta7363/Chatbot
  Built a Chrome extension where one can write their query and get their resolve. ChatGPT API used.
- **E-WISH-MART |** Tech Stack: MERN stack, Tailwind CSS, Redux Toolkit, Socket.io **(Currently Working on)**
  - Developing a fully functional multi-vendor eCommerce website, integrating payment gateways such as PayPal.
  - Vendor dashboard, Inventory Management, Chat System, Wishlist, Shopping Cart, search and filtering functionality.
    Live demo URL link:- https://e-wish-mart.onrender.com/
- **SOCIAL-CHIT-CHAT |** Tech Stack: MERN stack, Socket.io, Charkra UI
  - Developed a real-time chat web application using socket.io to establish real-time instant messaging and updating of chats.
  - Login, User Authentication, Profile setup, Creating Group, Typing indicator, real-time notifications from the sender.
    Live demo URL link:- https://socialchitchat.onrender.com/
- **TUTOR'S DEN |** Tech Stack: MERN stack, Tailwind CSS, Redux Toolkit
  - Developed a web app for Tutor and student management module to smoothen the education experience for the students.
  - Three entities- admin, faculty, and students. Admin has facilities like assigning faculty, adding students, and pushing notice.
  - Faculties can keep track of students' attendance and can create tests and upload marks. Students can view all of this anytime.
    Live demo URL link:- https://tutors-den.onrender.com/
- **NOTE-ZIPPER |** Tech Stack: MERN stack, Tailwind CSS, Redux Toolkit, Socket.io
  - Developed a website where anyone can login and keep their notes in one place safely, categorizing their notes by adding label.
  - Login, User authentication, profile set-up. Users can add, edit, update, and delete the notes anytime.
    Live demo URL link:- https://notes-zipper-app.onrender.com/

INTERNSHIP

Application Bug Finding & in CMS   Apr 2022 - Jun 2022

Exam-practice | Remote
